### COLOR OPTIONS

CEDAR

DARK GREY

BROWN

### No Staining | No Rotting | No Warping

The full trellis fence is great for complimenting a garden design or creating partitions with limited visibility. The 4' height is ideal for security around decks and patios. The 6' height makes the perfect fence for you, your kids and pets to see through but still kept safe within the yard. When you don't want to feel fully closed in, this is a great option.
