

ELITE PLAY

Characteristics:

Elite Play features the industry's only true non-directional grass. The TwistBlade technology makes this grass one of our most versatile products, adaptable to just about any application. Elite Play allows any sports ball to give a true and even bounce in all directions. The Ultimate surface for heavy foot traffic and high activity level play spaces.

Grass Tolerance

Heavy Foot Traffic

Suggested Applications

Landscape, Pet Systems, Playgrounds,
Sports & Commercial Applications
